

International Experiences & Study Abroad

Off-Campus Financial Obligations: UML in Greece SU14

The following details all anticipated charges that could be incurred with your International/Study Abroad Experience. It also provides a place to breakdown the current aid that you were awarded through Financial Aid. This information can be located in your ISIS account. You should contact your counselor in the Financial Aid Office at 978-934-4220 for additional clarification and a list of documentation required to transfer your aid to your selected provider. You can research additional loan options at <http://www.uml.edu/FinancialAid/loans/Alternative.aspx>.
